

Dear Grace and dancers,
We enjoyed tremendously your
group performance at our City
Employee Luncheon in Gainesville
on January 28. You really made
our luncheon fun. The narration
about each dance is a nice touch
and our employees, especially,
enjoyed the audience participation.
Thank you for making our luncheon
a memorable event. Employees
are still talking about how nice
it was. Thank you for coming to
Gainesville. Sincerely,
Ray Lunnon, City Director
